NEW ORLEANS — Five Below and Ross Dress for Less have opened at the Northlake Shopping Center in Mandeville. The national retailers join Fresh Market, Total Wine, Office Depot and PetSmart on site.

Northlake Shopping Center is a 166,371-square-foot retail development at the intersection of Louisiana Highway 22 and U.S. Route 190. Epic Real Estate Partners, which purchased the shopping center in 2017, has recently completed renovations to the property’s parking lot and façade.

“These improvements bring new energy and attention to the center and resulted in increased demand from retailers looking to serve the Northshore market,” said Daniel Holland, president and CEO of Epic, in a press release.

“We are delighted to bring Ross and Five Below to Northlake Shopping Center,” said Austin Lavin, one of the Corporate Realty agents representing the landlord in marketing and lease negotiations. “These new additions and renovations highlight our commitment to providing our customers with exceptional value, diverse retail options, and an enjoyable shopping environment.”

Corporate Realty is a commercial real estate agency with offices in New Orleans, Baton Rouge, and LaPlace.

Epic Real Estate Partners is a commercial real estate investment firm headquartered in Austin, Texas.
